# SWORDSMAN

## 소드맨 | Swordsman

"It all starts with sword mastery" as it's about the most basic combat job skill there is. While it's easy to learn the skills of a swordsman it's very difficult to master The Way of The Sword.

While learning it at a young age, you will start to grow the mind and body, as they'll start to be dedicated to the sword.

This is where a true warrior starts to be born.

Swordsmen are the master of the sword, as they are strong both offense and defense, with conquering enemy battlefields ahead, and providing protection for teammates. Swordsmen do not demonstrate physical strength unwillingly to their enemies, for that is not the way of a Swordsman.

Experienced Swordsman's, can carry over their job title as a Knight or Warrior.

## 나이트 | Knight

Knight is a Job that fights in close combat, suited in strong armor.

They are members of the Knights of Prontera, as they can learn powerful force once an honorable Knight.

"For justice and honor!" That is the phrase the good Knights uses to discipline as they try to be a model for others.

Their superior strength in foundation and leadership is a tremendous asset to the Kingdom of Prontera.

## 워리어 | Warrior

Warriors are based on various weapons and tactics while using superior charismatic force.

The Warrior is a Nomad of Honor, as they are not authorized by The Republic of Prontera.

They are free to harm humans, as they believe military combat will always affect the public nature.

They are only allowed to participate in military action in the fight as "mercenaries".

Nevertheless, the path to become a Warrior is popular for those who wish to fight in this manner.

They've proven to be more efficient than any other combat job and while having the most polished expertise on the battle field.
